SATs Booster

Dear Parents and Carers,

As I am sure you will be aware, our Year 6 children will be taking their SATs very soon and as a school we take every opportunity to provide the children with the very best opportunities to achieve at the highest levels before they transfer to their Secondary School settings.

This term, we have organised for all Year 6 children to receive free tuition sessions, known as Booster Clubs, in preparation for the SATs in May. You will already be aware that the SATs tests that children take in May are used by Secondary Schools to set up children into ability groups and are, therefore, hugely important to children's success on transfer to Secondary school. These sessions will run either **before school** between **8:00am to 8:50** on daily basis, and **after school** between **15:30 to 16:30**. The sessions will be led by different adults. During the sessions, children will be given the opportunity to learn about the SATs test, explore skills they will need to use and have personalised support in their areas of development. Children should bring with them water and a healthy snack.

Can I also take this opportunity to ask you to check regularly that all homework is being completed - a lot of it is important revision? Much of the work will be reinforcing classroom learning so children should know what to do; other activities may be research related or set to establish the children's knowledge, which will be followed up in the classroom. However, if you ever have any queries about homework please contact me via your child's reading diary or telephone to make an appointment. Please do not hesitate to contact me if you have any questions.

Kind regards,

Ms Manda

Assistant Headteacher & Y6 Teacher

NB: This is by far the busiest term in our year, with the lead up to SAT s week and lots of important revision taking place. Can we please ask you to refrain from making Doctors/Dentists appointments during this term? We require that you provide a doctor's note when taking children out during school hours.
