At St Peter's School we monitor the safeguarding of all pupils. School Safeguarding Officer: Head teacher. Deputy Safeguarding: Deputy Head

10th February 2017

James 1:2-3 2 *'Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, 3 because you know that the testing of your faith produces perseverance.'*

Exciting Half Term

It has been a very busy start to the year and classes have had many visits and visitors - Reception visited the Farm and London Zoo, Year 5 performed at the Royal Festival Hall, there have been workshops for parents from how to keep our children safe online to healthy eating and finally many of you joined us for Market Day!

It has also been wonderful to see the positive approach and involvement of all in our morning 'Wake & Shake' - look out for the new routine after half term! The children are all now thinking about and discussing healthy eating too. Thank you to all who have given their time to support these events and outings, your help and involvement is greatly appreciated and we hope to see just as much enthusiasm throughout the year.

We hope you have a wonderful half term and look forward to seeing you back at school on Monday 20th February.

Mrs Bahlol

New School Rules

We regularly review our school rules in line with our Behaviour Policy. Our children understand our school values and we use these to discuss behaviour. After consultation with our School Council, all the children and our staff we have two new school rules which reflect our six values:

'At St Peter's we live out respect.'
'At St Peter's we always do our best.'

Please talk to your child about how they demonstrate these rules in school. We do hope you like our new rules.

Other Notices:

Book Bags: Many children especially in Key Stage 2 are choosing to bring in large bags instead of using the school book bag. Unfortunately we do not have space for such large rucksacks. Please encourage your child to use a school book bag. Book bags are available to buy from Stitch Design via our school website.

Health & Safety Reminders: It has come to my attention that some parents/carers have been spitting in the playground and whilst using the water fountain. Please do not use the water fountain as this is for children's use only. This behaviour is not acceptable as it is extremely unhygienic to spit or contaminate the water fountain. We are teaching our children to respect our surroundings and others and therefore would like all adults to do the same.

Individual/Family Photos: On Wednesday 22nd February Tempest photography will be taking individual photos in the hall. If you wish to have a photo with younger siblings who do not attend the school, please inform the school office.

Parent Questionnaires & Parent Views

Thank you for all who have taken time to complete the online parent view and our parent questionnaires. We really appreciate your comments. Please look at the website next term and in following newsletters for the responses to what you have said could be improved about our school. If you have not yet completed the online questionnaire you can access it via the school website. We believe that we can only make the school even better if you share your views, so we are always happy to listen.

Enterprise Fair

The enterprise fair was a fantastic afternoon and we were overwhelmed by the support that we received from the local community. The children all worked hard on their business plans and made a staggering total of £310 profit on the various goods that they made and sold! Each class made the following profit from their allocated budget of £5:

Reception: £20.00

Year 1: £32.00

Year 3: £43.70

Year 5: £21.40

Year 2: £27.51

Year 4: £26.80

Year 6: £35.50

Diary Dates

Monday 20th February

Tuesday 22nd February

Thursday 23rd February
and Friday 24th February

Children return to School

Year 2 at Museum of London
