Summer Term

2nd May 2018

Welcome to Summer Term!

We hope that you all had a brilliant Easter. This is the time of year when our children are experiencing mixed emotions – excitement for the year ahead and worries about the end of primary school exams. This can be a challenging time for both parents and children. Our children need encouragement. Praying is a good way of calming our children throughout this period. Our school value this term is 'Trust' – lets trust our children that they will do their best. A thought for reflection: Jer 29:11 says "... For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you a hope and a future." If you feel the need to come and have a conversation (about any topic), please do come to see me. Kind regards, Ms Manda
