Summer Term

April 2017

## Areas of study

### OUR TOPICS THIS TERM

- This term we will be learning about Mini- beasts and growing
- We will be learning about lots of different types of insects, how they grow and change.
- We will be learning about different vegetables and how things grow.
- We will hopefully be having a visit from the Wiggly wild show to allow the children the opportunity to hold and see some real life mini-beasts

## NICE WEATHER

As summer approaches we are hoping for nice weather.

Please ensure your child brings ...

- A hat with their name in to school every day (as the weather can change)
- We are happy to provide and apply sun cream – a permission slip will be coming out soon.

## WELCOME BACK.

We hope you had a lovely Easter. It was lovely to hear all about the children's activities they had been doing over the holiday.

It's a busy term this term – many children are approaching the end of their time in nursery and we will be looking to get them to be ready for school.

## WOW SHEETS

Please remember to take a wow sheet home and write about what your child has been doing at home. Write what your child has been doing on the wow sheet and bring it back into nursery.

Wow sheets can be found on the notice board in the coat area

## DONATIONS

This term we will be doing lots of cooking and growing different fruit and vegetables. Could you please bring in a donation of £2 for the term to go towards the children cooking and growing their own vegetables in class.

Many thanks

## Changing reading books

Just to remind you we change the children's reading books every **FRIDAY**. Please don't bring them prior to a Friday as we share the coat pegs and books get mixed up. We have a very busy schedule in the nursery. If your child does not bring their book to be changed on a Friday it will **NOT** be able to be changed any other day.

Thank you.

## CHILDREN'S CLOTHES – Reminder

**We still are short on clothes – they are not being returned!**

**Please return any clothes your child has borrowed. Please ensure they are returned washed and cleaned.**

sometimes accidents will happen in the Nursery. We are asking if parents can return any nursery clothes that their child has borrowed or donate any old unwanted children's clothes that we can keep as spares.

Items such as ...

jumpers,  
trousers,  
kickers,  
underpants.  
Many thanks.

## CLOAK AREA

Please remember we are encouraging independence – parents please refrain from coming into the coat area – say good bye at the door and allow your child the opportunity to come in independently and hang up their own coats and book bags.

## How you can help at home.

- Encourage them to now write their name **WITHOUT HAVING TO COPY**
  - Counting accurately – we encourage them to use their counting fingers
- \* Play I-spy so your child is hearing the initial sounds in words – please use letter sounds NOT letter names.

## Graduation

Your child will be having a graduation assembly at the end of the summer term to celebrate their achievements in Nursery this year.

Drinks and refreshments will also be offered. Invitations will be sent out soon.

## School ready –

Please come along to our coffee morning – getting your child ready for starting school in September

Thursday 4<sup>th</sup> may 9.15 – 10.15am in the parent room

It is important now more than ever to ensure your child is being as independent as possible

If your child will be attending St peter's reception class in September we will be looking at helping our children transition – they will be invited to stay for lunch one after noon – dates and times to be confirmed.
