Dear Parents/Carers

With winter upon us forecasts are unpredictable; I would like to remind you about how we deal with any severe weather, especially snow, which may affect the school.

Each day of any severe weather, I as Head Teacher will make an assessment about whether it is safe and practical to open the school to pupils. This decision will be made early in the morning, by 7:45am, in enough time to inform you if we are to close.

You will be informed by our **text service** if the school is to close each day. It is therefore vital that you inform us if you have changed your mobile number. Please complete and return the form below to update your details and send back as a matter of urgency.

If you do not hear anything from us, the school will be open. Should you wish to check reports of closure, you can do so by visiting the **school website** [www.stpeterswalworth.co.uk](http://www.stpeterswalworth.co.uk) you will find up-to-date information. Closure information will also be shared with the local authority (Southwark).

Please be assured that I only decide to close our school in exceptional circumstances where the safety of your child is the primary concern. On occasion this may be due to the availability of teaching staff that travel some distance to reach school, rather than purely conditions for pupils getting to school.

Should you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely

Anne-Marie Bahlol  
Head Teacher
